

NSF-Sponsored

Science Café Program

2015-2016

The Laboratory
for Research on
the Structure
of Matter

The LRSM, through the NSF-supported Penn MRSEC, is continuing a series of Science Cafés that began in 2010 to promote NOVA's four part TV series on materials, 'Making Stuff with David Pogue,' on public television. The Science Cafés, which are science talks for laymen about materials-related topic of current interest, are held at **Stoney's British Pub**, 3007 Concord Pike, Wilmington DE, and **Saint Declan's Well Irish American Pub**, 3131 Walnut Street, Philadelphia PA, at 6:00 pm.

These programs are free and anyone who is interested is invited to attend.

No purchase is necessary.
